Residential, 1996

### WORK HISTORY

Electrical Trades Consultant, Entropy Engineering Corp, February 2011 to Present  
Owner, Town & Country Electric of Colorado, Inc., 2001 to Present

### ELECTRICAL FAILURES & STANDARD of CARE EVALUATIONS

Mr. Westcott is experienced and knowledgeable about the common industry practices for the repair and installation of electrical systems. He has received training and education with respect to the applicable codes, coordination of the trades and common safe practices in the industry. As a master electrician and business owner, he has a credible platform from which to evaluate electrical related failures, installation problems and standard of care issues. He is also experienced in the evaluation of faults of electrical components, circuits and systems.
